

## 20mm Limestone

greater vancouver  
aggregates division

### Features and Advantages

**Lafarge's 20mm Limestone Base** is produced from some of the highest quality quarried limestone rock reserves on Texada Island and is shipped into Coquitlam in the Lower Mainland by barge for re-sale. Our limestone base is crushed and screened to meet the most stringent specifications of the local Master Municipal Construction Document. (MMCD) under our Internal Quality Assurance Program.

Both feed stock and finished aggregates are produced through our modern Crushing and Washing Processing Plants using the latest industrial aggregate processing technology. The result is an environmentally clean base with a consistent and uniform particle size distribution.

**Lafarge's 20mm Limestone Base** is a bluish gray colour aggregate in appearance and angular in shape.

By using our **Limestone Base** material you are supporting a BC produced product that is available to meet your production needs year-round. Our clean, non-leaching environmentally sound products are available to be delivered to you by truck or they can be shipped directly to your project site by barge using the Fraser River Waterways System.

**Lafarge's 20mm Limestone Base** is used in the construction and renovation of residential, commercial and industrial structures to form a solid base. It is ideal for driveways, pathways, trails and garden landscape applications, as well as for pipe bedding and concrete mixes.

### Particle Size Analysis

**Typical Values** - Data shown here is accurate and reliable, but not a specification.  
- Typical, means average percent passing on individual sieve.

Sieves (ASTM)	MMCD 2.10 Granular Base Specs	LAFARGE 20mm Limestone Base
25.0 mm		100%
20.0 mm	100%	98%
12.5 mm	75-100%	78%
9.5 mm	60-90%	63%
4.75 mm	40-70%	42%
2.36 mm	27-55%	28%
1.18 mm	16-42%	21%
600 um	8-30%	18%
300 um	5-20%	14%
150 um	-	
75 um	2-8%	9%

Product Code: AG3502

#### Material Location:

Our Limestone Base is only available in Bulk at our Coquitlam Leeder Avenue Aggregates & Recycling Depot, located at the corner of United Boulevard.

#### Division Office:

19633 98A Avenue  
Langley, BC, V1M 3G5  
**Office:** 604-455-6200  
**Fax:** 604-882-7108
