Dear Murray,

From the tiniest newborns to the eldest members of our community, everyone benefits from the work of the Foundation to provide the best care and latest equipment at Ridge Meadows Hospital.

Thanks to your generous support the 24th Annual Ridge Meadows Hospital Foundation Gala, presented again this year by Fraser River Pile & Dredge, was a tremendous success. Together, sponsors, donors, guests, and volunteers at the event raised over \$238,000 for essential equipment at Ridge Meadows Hospital.

Through the generosity of supporters like you, the funds raised at the Gala have led to better patient care, faster diagnosis, and more effective treatment for everyone in our community. We are so very grateful to have the opportunity to partner with you for better health care in our community.

On behalf of the Board of Directors, staff, volunteers and patients – thank you for your commitment to your community and your hospital. Together we are changing lives and saving lives.

With sincere appreciation,

Laura Butler
